**Public Comment:**

**New Business:**

Mayor reported the hydraulic on dump truck needs repair and we are trying to find a place to repair it.

**Old Business:**

Richards reported the Safe Routes to School project has been resubmitted with a change in scope and an increased grant amount of \$500,000. Senator Zorn has been involved recently. The project will not take place until after the water improvement project.

Mayor reported the approval of an amended water contract with the City of Monroe is still pending and is the final piece in moving forward with the water improvement project.

**Council Reports:**

Tollison reported that clerk Goodin contacted the DNR regarding the DTE tree grant and they are unsure if the program will continue and we will need to monitor the website for details.

**Employee Reports:**

Clerk Goodin will order porta potty for Perry Park as soon as it can reopen per the governor's orders. Spring clean-up has been postponed per Stevens Disposal and will hopefully be rescheduled yet this summer.

Moved by Richards that Council adjourn at 7:27p.m. Supported by Bruckner. Roll Call Vote: Aye (7) Nay (0) Absent (0) Motion carried.
